**Chi Alpha Campus Missionaries :: Ball State University :: October 2011**

## ***We are finished! And just getting started...***

**By God's generosity through the Body of Christ, we have raised our monthly support and have been released to start on campus! We are so grateful to our Father for His abundant provision and to all of our financial AND prayer supporters, who have sacrificed time and money for the expansion of God's Kingdom at Ball State. Thank you!!**

**And God is able to make all grace abound to you, so that in all things at all times, having all that you need, you will abound in every good work . 2 Cor 9:8**

### **Strategy this semester: (PLEASE PRAY WITH US!)**

- **Start a weekly "Pray and Play" meeting—laying the foundation of the ministry in prayer, then doing something fun together**
- **Invite students to our home for large-group "get to know you" gatherings**
- **Invite students to the statewide Chi Alpha fall retreat and New Years' regional conference**
- **Start small discipleship groups with reliable students who are able to pass on to others what they learn from us.**

**Johnny loves going to campus and meeting people! He'll say "hi" to anyone!**

← **Students praying together at last year's fall retreat (sneaky hint: 1 of these is a current Ball State student! She was then attending another university, was baptized in the Spirit at this retreat, and is now excited about being part of Ball State Chi Alpha!)**

**We believe that beginning with a prayer meeting will set the tone for the future. We want to be a ministry dependent on God! Please pray that we will become a community which prays well together!**
