BOMAN

Chi Alpha Campus Missionaries :: Ball State University :: November 2011

Yes, it's true!!

We're excited to announce that we're expecting our second child in June! Many thanks to God for this precious gift. And props to Josh's sister, Faith, for making these cool pumpkins!

Baby Boman #2 is on the way!

Indiana Chi Alpha Fall Retreat

We brought 4 students, 1 alum and 4 staff (plus John) to the statewide retreat. This was a wonderful time of connecting as a group and with God. The theme was giving up the %Life+ for the %wiiLife+(serving God in community, instead of living for ourselves.) This was a great way to build a foundation of community for our fledgling group!

Getting Started on Campus

We've started a weekly prayer meeting on campus (left), with a handful of students, and some local college pastors, who are willing to invest their time and energy in praying for God's Kingdom to come at Ball State! We are so blessed by these faithful ones!

Most of the students who have been coming regularly have committed to join discipleship groups. The focus of these groups is helping students fulfill the Great Commission by training them to make disciples of Jesus. This includes Bible study, prayer as a group and relationship building. We asked God to help us start 3 groups this semester, and He has done it!
