Are you planning to support us monthly but have not yet turned in a faith promise form? The sooner you turn it in, the sooner we can get to campus! The national office is adding up these commitments and will release us to begin on campus when we reach 100% So please take the plunge and turn it in! See the "contributions" tab at www.xaboman.com for print and online options. Or give us a call and we'll mail one to you!

Monthly support still needed

We are making headway! We have been traveling all over Indiana, meeting with pastors, friends and churches to share the vision for Ball State. God has been faithful and we've raised almost \$1,000 in monthly support so far!

Many thanks to our new and continuing financial supporters, as well as all of you who have signed up for our prayer team! We are excited that you are, in effect, going to Ball State with us, and we trust God will make us effective together.

Prayer needs for this time:

- Monthly financial supporters—esp. those who have expressed interest in joining our team but have yet to turn in a faith promise form
- Entire team (James and Mercy) to raise their support in a timely fashion so we can begin together
- Grace to juggle responsibilities as a family
